### Health information:

The pH, Chromium (VI) and PCP levels of all materials have been tested and meet CE health standards.

Coloring: coloring is done by using natural materials

### Warranty:

This product is warranted against manufacturing defects. Because applications vary, it is the user's responsibility to identify the right product for each application.

### Washing:

No bleach or acid should be used, just standard washing detergents. The characteristics of the leather will change after 1 or 2 washings, hardening of the leather is typical after washing.

### Drying and ironing:

Mechanical drying and ironing is possible but not advised

### Storage:

Store dry and at temperatures over 5° Celcius. Do not stack higher than 5 cartons on 1 pallet

### Materials used:

Grain cow leather manufactured with 3 ply KEVLAR® as well as current isolated push buttons and velcro fastening materials for the closures and reinforcements. DuPont™ and KEVLAR® are trademarks or registered trademarks of E.I. duPont de Nemours and Company

### Instruction for use:

This leather work clothing to be used for general labour activities as well as welding. User has to see to it that all closures are closed specially for use with welding applications and the choice of the right size

### Caution:

Weldas gloves and clothing have been tested and certified at TÜV Rheinland LGA Products GmbH, Germany (EU no. 0197).
